Dear sir,

Sub.: Posting of consolidated attendance – AU Portal – Generation of Hall Tickets – Reg.

By directions, it is informed that it is decided to maintain the attendance records of the students at the university level. In view of this, AU Computer Centre created an application to post the semester consolidated attendance of all the students for the academic year 2024-25 II semester and also for all the students whose examination are scheduled from 21/04/2025 or afterwards. The link to post the attendance is made available in the department logins and hall tickets for all the examinations will be generated only after posting the consolidated attendance. Hence, all the Principals of the affiliated colleges are directed to instruct their concerned staff to post the consolidated attendance of all the students of the respective colleges, immediately after closing the class-work to enable this office to generate Hall tickets to write the examinations.

Thanking you sir,

Yours Sincerely,

(Ch V V S Bhaskara Reddy)
